Victoria Lifeline Medical Alert Service

Be Prepared. Be Confident.

Victoria Lifeline has been helping Manitobans remain safe & independent in the comfort of their own homes for almost 30 years.

Victoria Lifeline strongly believes in a **community of care** and building relationships with community partners. Lifeline has proudly sponsored **CJNU** for many years.

Lifeline is a part of the Victoria General Hospital Foundation, with all proceeds going towards enhancing patient care.

Looking for a place to volunteer your time?

CJNU has been an invaluable resource in recruiting Lifeline Home Service volunteers. As a not-for-profit organization, Lifeline relies on volunteers to install equipment in people's homes. Helping seniors age in place with dignity and grace is very rewarding. One volunteer has installed almost 2,000 Lifeline units over the course of 8 years. That's 2,000 lives he has made a difference in. To find out more about volunteer opportunities, please call (204) 956-6773.
